- **Differentiate your lessons** for every learner—access materials at all grades
- **Make your own flash cards** & other customizable resources
- **Customizable home page** saves time finding relevant material
- **Easily print** whole packets of collated activities and worksheets
- **Tons of seasonal and thematic ideas**, crafts, and more!

Convenient Lesson Plan Builder

Create and save personalized lesson plans—comprehensive plans with an activity to introduce the skill, activities to practice the skill together as a class, printables for independent practice (at three ability levels), and an assessment that checks for understanding.
